

# BACHELOR OF ARTS SOCIAL SCIENCE

CUSTOMIZED CONCENTRATION

COLLEGE OF  
ARTS & SCIENCES

## PROGRAM OBJECTIVES

- ▶ The Social Science major prepares students for various careers by building from the foundation of the interdisciplinary study of human behavior grounded in the scientific method.
- ▶ The Social Science disciplines that are featured in the major are history, political science, psychology, and sociology. The Social Sciences are also effective tools for helping local congregations and parachurch organizations to better achieve the mission of the church.
- ▶ Students will be able to identify and evaluate arguments in the social sciences, as well as create and present evidence-based arguments in the social sciences and will develop a critical understanding and appreciation of the diversity of human experience and ideas among people, cultures, and institutions.
- ▶ Students will be able to make appropriate connections between Christian beliefs and social science concepts, theories, and methodologies.
